November 8th Meeting 5:30 pm

Come in the front door
800 12th Ave NE

On November 8th-5:30pm we will have a meeting/Pizza Party with a White Elephant gift exchange. Place: Deer Ridge Community

What is a White Elephant Gift Exchange?

1. Each participant supplies one wrapped gift.
2. The gifts are placed in a central location, and participants determine in which order they will take turns selecting them.
3. The first person opens a wrapped gift, and the turn ends.
4. On subsequent turns, each person has the choice to either unwrap a new present or to "steal" another's.
5. When a person's gift is stolen, that person can either choose another wrapped gift to open or can steal from another player.
6. The game is over when everyone has a present. Generally, it is recommended to have at least six participants for the gift exchange party.
7. Since the first player is the only one without the option of seeing any unwrapped gifts, most varia-

tions allow this player to take one final turn after all gifts have been opened and swap with any "unfrozen" gift.

9. The gift exchange ends when the last wrapped gift is chosen and opened.
10. After the last turn, the person who started (since she didn't get a chance at the beginning) can put back the gift and "steal" a gift according to the rules. This starts the gift exchange again (following the above rules) and ends when someone chooses or is forced to take the gift given up by the person with #1.
