## In the comment box below, please write 2-3 paragraphs on why you are interested in attending the National Conference for College Women Student Leaders and learning about Women in Leadership.

I am interested in attending the National Conference for College Women Student Leaders because I would love the opportunity to expand my knowledge and skillsets. The AAUW stands for something that I believe in, equality and equal opportunity. I plan to go into a creative career field where I will need to express leadership and communication skills and I believe going to this conference is a great step in refining them.

I am an enthusiastic extrovert who strives to find opportunities to learn and make new connections. As a woman and a student, I look up to those in leadership roles and the guidance and knowledge they offer. I would love to learn from those who have advice to offer. I am extremely interested in bettering my leadership skills and would like to use those skills to stand out and help others. Communication is a very important aspect in my life and future career, and being able to attend this conference would mean so much to me.

## Are you able to commit to attending the Leadership Conference virtually May 24-26, 2022?

Yes, I will attend

## Do you agree to attend a local AAUW meeting in Jamestown to let the organization know about your experiences and what you learned ?

Yes, I will attend a local AAUW chapter meeting and share my experiences from the conference

## Send application

- I agree to have my application sent to the AAUW Conference Scholarship Selection Committee-which is a committee composed of members of the local AAUW organization who are not affiliated with University of Jamestown.

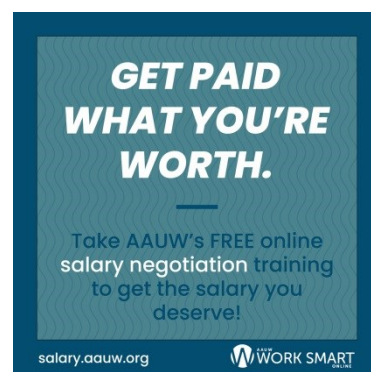

Jamestown AAUW will be hosting a “FREE” online salary negotiation seminar on Thursday, April 21, 2022, 7:00 – 9:00 PM, at Jamestown High School Computer Lab, 1509 10 St. NE, Jamestown, ND. This FREE online salary negotiation workshop is designed to empower women with the essential skills and confidence to negotiate for fair pay.

Did you know that at the current rate, the pay gap for all men and all women won't close until 2059? Collectively, working women in the U.S. lose out on \$500 billion a year because of the persistent gender pay gap.

Don't wait until you have a new job offer or for your annual review to learn to advocate for yourself at work. In AAUW Work Smart Online, participants learn:

- ❖ The causes and impact of the gender pay gap
- ❖ Tools to research competitive salaries
- ❖ Tips to articulate their skills, qualifications, and experience
- ❖ The right ways to talk about pay

Attend AAUW Work Smart Online and become a part of the movement to close the gender pay gap. Limited to 20 participants call Deb -701-269-1446 or email [dova\\_car@yahoo.co](mailto:dova_car@yahoo.co) to register.
